

# Education Perfect for Senior

EP for Senior is an all-in-one online solution, designed to help educators deliver targeted support to Year 11 and 12. It offers everything you need to personalise learning at scale, track progress with confidence, and give every student the tools they need to reach their potential.

## Curriculum-Aligned, Customisable Content

Access an extensive suite of lessons in **Science**, **Maths**, **English**, and **Languages**, all fully editable to suit your teaching style and class needs.

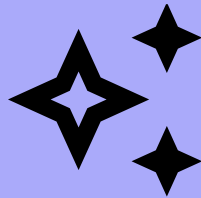

## Smart Assessment Tools

Cut down on marking with auto-graded, customisable assessments that give immediate insights into student understanding.

## Get More with EP Senior Plus

With EP Senior Plus, students are given:

- Instant, personalised feedback from our premium **AI-Powered Feedback Tool**
- Curriculum-aligned insights to ensure every student stays on track
- Self-directed learning opportunities to boost engagement and outcomes

Our brand-new AI-Powered Feedback Tool is:

- Built specifically for education, expertly supports senior practice and revision
- Mapped to your curriculum, ensuring all feedback aligns with required learning outcomes
- Ready to support every student's learning journey with immediate, accurate responses that keep them on track
- Proven to boost student engagement and support deeper understanding with our unique, AI-driven 'Learning Loop'
- Fully compliant with current government AI guidelines and designed to ensure safe, relevant interactions

## Actionable Data & Reporting

Real-time dashboards and exportable reports let you monitor progress at a glance and make confident, informed decisions, to support each student.

## Anytime, Anywhere

Perfect for independent study, exam revision and flipped learning, EP Senior works wherever learning happens.

## Ongoing Support from Real Teachers

Our experienced in-school consultants and responsive support team are here to help you get the most out of EP.
